

## INTERACTIVE MEETING WITH SENIOR HIGH SCHOOL STUDENTS

Another Interactive meeting with 11 Senior High School students was held on March 23, 2019, at the PAGA office.

In the two conducted Workshop activities, the participants shared their experiences with their plans and role-playing focused on their learnings and insights being an SHS student. They were guided to better manage their studies as they prepare for college in the next incoming school year term.

From the evaluation of the activity made by the participants, it briefly said: "The students realized the importance of hardship and dedication to successfully finish SHS and overcome its challenges." They appreciated what has transpired in the 1-day activity receiving personal support from each other with a feeling of importance. Social Workers Phen de Leon and Rory Ilumin facilitated the workshop.

## ORIENTATION SEMINAR ON ENHANCED BASIC EDUCATION (K to 12)

The Orientation Seminar on the above topic was conducted for incoming Grade 11 students and their parents on April 24, 2019 held at the PAGA office. In this activity, students and parents had a deeper understanding about the K-12 program. They realized what their

personal career interests are and were guided towards choosing the right and appropriate senior high school track and strands based upon their personality traits, abilities and interests.

Resource Speaker Mr. Neil Vincent C. Sandoval from the Schools Division Office-Makati City very well described the benefits of the enhanced basic education program. He further emphasized among others that "graduates will possess competencies and skills relevant to the job market, and graduates will be prepared for higher education". Also, he explained that the added 2 years will decongest and enhance the basic education curriculum and have better quality education for all.

# MEET OUR GRADUATES FOR SCHOOL YEAR ENDED 2018-2019

We congratulate our new batch of graduates for this year. 2 in college and 1 in a vocational course successfully finished their chosen courses along with 8 students also graduating from Senior High School. Likewise, 13 completers from Junior High School are now ready for the next phase of their life's journey aiming to be successful in their chosen tracks/strand. It is a feeling of pride to witness our beneficiaries' graduate and the others determined to finish their studies despite their experience of facing difficulties and challenges.
