Graduation Letters

A big thank you to PAGA for all the help and support. Now I'm on to a new and exciting adventure of a college life. And I know I can make it through all the difficulties and challenges I will face because PAGA will be there for me.

PAGA was there all the way, from the support to augment our necessities to survive the pandemic, to the monthly assistance to aid my studies. Receiving a tablet to be utilized for my classes was a bonus. They truly made their presence felt as a helping hand to help us during our times of drastic needs.
