PAGA JOINS 4TH OF JULY CELEBRATIONS

After two years PAGA joins the Manila Elks Lodge BPOE 761 face-to-face in the celebration of the 4th of July on July 2, 2022, held at the Corinthian Plaza Car Park, Legaspi Village, Makati City, to commemorate US Independence Day and Fil-Am Friendship Day.

The 4th of July was celebrated with the parade of Uncle Sam, a children’s game booth, and listening and dancing to the tunes of the live band.

Participants were all delighted by the opportunity and experience of attending this activity.

CONGRATULATIONS GRADUATES!

The second year of blended learning (SY2021-2022) has been rough for students. They were, however, able to surpass the challenges to complete their school levels with pride despite the COVID-19-related effects on their studies and the families' financial situation. They are now ready for SY2022-2023 and will face the next chapter of their lives as college graduates.

Four of the graduates were in college, nine (9) were in Senior High school, and three (3) elementary students. Also we have five (5) Junior High completers ready to move up to Senior High School. They were all thankful for the opportunities received as vehicles for their dreams to come true. Cheers!

TEAM BUILDING AND BALIK ESKWELA ACTIVITY:

Theme: "New Season, Letting Go, Moving Forward, Enjoy, Learn, Engage"

A recent activity held in NCR, Bulacan & Angeles was also the first after two years of no face-to-face activities due to the threat of the COVID-19 pandemic.

Due to the rains the PAGA office became the venue for the Makati-based beneficiaries. The Bulacan and Angeles activities were conducted in a bigger venue in coordination with the local barangay and Sapang Palay Baptist Church.

The activities, workshops, and games motivated them to learn and achieve something with enthusiasm or interest applied to the new normal situation. It was also an opportunity for beneficiaries to be connected again with their fellow beneficiaries.

"I had so much fun that time because I like the activities we do. I won a lot of candies as a prize, I'm happy to see everyone there. I enjoy doing teamwork with them and we get close to each other again."
(Excerpt from the written report of a student beneficiary)

School supplies were distributed in the afternoon and the social workers had a chance to talk to each beneficiary about their current school situation and plans.
