

FINANCIAL LITERACY FOR PARENTS

As part of our continuing psychosocial development program, a capability-building seminar/workshop on Financial Literacy and Skills was given importance.

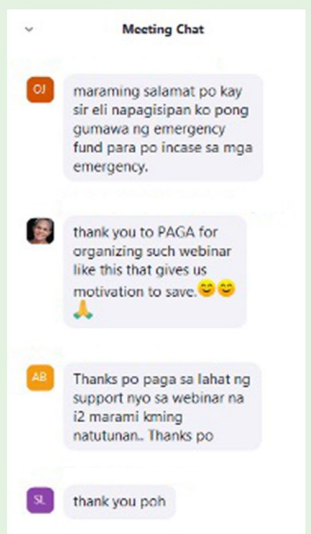

The second batch of the said webinar was conducted for parents on November 26, 2022, as a sequel to the much-appreciated webinar outcome on the students held in June 2022.

The Resource Speaker, Mr. Elizar S. Sabinay, the Corporate Social Responsibility (CSR) Manager from PhilPacific Insurance Broker and Manager Inc. was invited for the 2nd time. The topics presented were appreciated by the participants which made them realize the importance of Financial Literacy.

Participants were significantly hooked on the timely topic since they were affected by the pandemic and just starting to regain their lost income. With the webinar, parents have realized the need for and importance of saving for retirement and creating an emergency fund. They can do as much as possible for themselves and not only for all-out support for their children financially.

Positive comments were received from parents on the webinar ->

DISTRIBUTION OF CHRISTMAS GIFT BAGS

COVID-19 is still inevitable and requires safety precautions and observance of health protocols. In its 3rd year, there were no face-to-face Christmas gatherings for PAGA, but spreading joy and happiness to beneficiaries and their families have continued. Families from different areas received their Noche Buena goods thru online delivery. At the same time, beneficiaries in NCR pick up their gift bags at the PAGA office. The process was participated in by volunteer beneficiaries in facilitating the delivery.

The smiles on their faces show how grateful they are for whatever gifts from PAGA.

NCR beneficiaries

Angeles-based beneficiaries

Bulacan based beneficiaries

Families from Cavite and Rizal Areas

DONATION RECEIVED

PAGA was invited with other partner groups (or organizations) to the annual event of the Elks National Foundation Committee of the Manila Elks Lodge 761 on November 17, 2022.

It was a time when partner groups provided the officers of the lodge and the ENF Committee with a brief update on the various work they do for its community.

After presenting a brief PAGA programs update, a check was handed to ED Deanna Bajar.
